# SPECTRUM

## NEW COLLECTION

GLOSS

MATTE

METAL

ECO

Spectrum is the new product line, carrying the most popular colors of the season. The offer combines attractive designs with a multitude of options for surface finishes.

This series consists of matte, high gloss, monochrome and wood-like as well as metallic decors.

Our Individually Developed and perfected production process consists of a thin, transparent layer of PET (Polyethylene terephthalate) laminated on the surface, granting it exclusive qualities.

# SPECTRUM GLOSS

Melamine MDF or chipboard, laminated with a 75 $\mu$  thick transparent PET in film in gloss. Measured reflectivity of >85 gloss units.

Outer layer is resistant against scratching, chemical agents, and UV radiation. It also does not require special products for maintenance.

Panel Backing – Colored-matched Melamine

WA12 Zephir White 3050x1220mm

F157 Cement 2800x1250mm

00113 Elegant Black 3050x1220mm

F162 Light Concrete 2800x1250 mm

554 Wotan Oak 2800x1270mm

F 165 Dark Concrete 2800x1250mm

K003 Gold Oak 2800x1270 mm

OF252 White Carrara 2800x1220mm

H1180 Halifax Oak 2800x1250mm

F2264 Nero Marble 2800x1220mm

Base: **MDF**  
Thickness: **18 mm**

- Comfortable For Use and Manufacturing
- High Scratch Resistance
- Matching Edge-banding
